

SAN DIEGO 2026

Travel Planning Document

June 18 - 22, 2026

Mission Beach - Pacific Beach - La Jolla - Old Town - Coronado

Trip Overview

A family reunion in San Diego with the Davidson, Hagerman and related families. All of the activities are optional and just suggestions as to things to do.

- Trip dates: June 18 - 22, 2026.
- Base: three confirmed San Diego houses: *New* Ocean Surf View | 2nd Floor - 702 Monterey Court, San Diego; Aloha Breeze 2 - 704 Monterey Ct, San Diego; 3581 Bayside Lane, San Diego.
- Transportation plan: no rental cars are planned, so keep the rideshare/taxi, walking, biking, and local transit options available; a few family members will drive personal cars to San Diego, so some local car capacity may be available.
- Dining style: very casual beach restaurants plus low-key meals at the houses.

Trip at a Glance

The current tracker plan is intentionally flexible: confirmed lodging anchors the trip, with meals and activities left casual unless the family chooses to book something specific.

Getting Around Without a Rental Car

For this San Diego trip, no rental car is planned, but a few family members will drive personal cars to San Diego. Keep the non-car options available for airport transfers and groups without a car: direct rideshare/taxi, walking and biking around Mission Beach/Pacific Beach, local transit where practical, and rideshare for La Jolla, Old Town, or Coronado if selected. For the personal cars, check each house website/listing for parking details before arrival.

Transport Item	Details / Notes	Status
Airport to Mission Beach plan	SAN authorized rideshare/taxi info: https://www.san.org/before-you-go-travel-tips/ride-services/ ; easiest with kids/luggage is rideshare/taxi direct to Mission Beach. Use XL if needed for luggage/car seats; follow terminal pickup signage. A few family members will drive personal cars to San Diego, so some local car capacity may be available, but no rental cars are planned.	Not Booked

Practical Notes

- Add exact flight/arrival and departure logistics to the Trip Tracker when ready.
- Keep all three lodging confirmations/links handy before travel day; parking information is included in the house websites/listings.
- Thursday pizza/casual dinner and Saturday Old Town dinner are the two meal decisions most likely to benefit from a reservation if the group wants a specific place.
- Beach practicals: no glass, alcohol, or smoking on San Diego beaches; check water quality advisories before swimming, especially after rain.
- Domestic US trip: bring valid ID for air travel; no international entry requirements apply for this San Diego-only itinerary.
